**St Peter & St Paul School**

**Congratulations**  
You have found the 1st cross

**Palm Sunday**

Jesus and his friends had arrived in Jerusalem to celebrate the festival of Passover. News had spread that Jesus was on his way and a huge crowd had gathered, they put their coats on the floor and waved palm leaves. What a surprise when he arrived, he was riding on a donkey! It is just as the prophet Zachariah had written over 400 years before.

**Activity**  
Who can find the biggest leaf as we walk to the next cross?

**Challenge**  
Can you describe what the faces of the people in the picture might be like as they see Jesus? How do you think they feel? What might they be saying? Can you make a face that you would have if you saw Jesus on the donkey?

Write the Letter found on each cross in the grid below to spell a name for Jesus

Can you do the activity?

Can you complete the challenge?

Can you find the special name for Jesus from the letters on the crosses?

# Chaldon church Easter Trail

10 Crosses have been put up around the village as shown on the map and the Easter trail will be open **from Friday 2<sup>nd</sup> April**. Each cross tells part of the Easter story and has a fun activity or challenge for you to do. Find each cross and put the special code letter in blue into the number grid on the Map to spell out a name for Jesus.

At the end of the trail pick up a wooden heart from the church porch, decorate it in a way to show that Jesus loves us and hang it up in the churchyard.

## Trail route

The trail starts outside St Peter & St Paul's School where the first cross is located. It then takes you via Rook Lane, Doctors Lane and into Leazes Avenue. When you have found the 5<sup>th</sup> cross you have a choice of routes. For the short route retrace your steps to where 'The Bridleway' joins Leazes Avenue and walk down the road to find the 6<sup>th</sup> Cross. The remaining crosses are located in the field and in the church garden as shown on the map. For those wishing to take a longer walk, exit Leazes Avenue after the 5<sup>th</sup> Cross and walk along the footpath on the golf course towards Happy Valley. At the end of the path turn left back towards Leazes Avenue and the Bridlepath where you will find the 6<sup>th</sup> cross. When you reach the field on the LHS, turn into the field and walk across to the church finding the remaining crosses in the field and church garden.

## Happy Hunting!
